

COMMUNITY POLICIES

Last revised October 4, 2015

- 1. Community Living Standards.** All residents are expected to comply with established standards of community living, including maintaining adequate standards of personal hygiene and room cleanliness to avoid interference with the general comfort, safety, security, health or welfare of the community or a resident's roommates. Any personal safety or welfare issues should be brought to the attention of management; any resident forcing or attempting to cause another resident to leave his/her own residential apartment may be subject to termination.
- 2. Dangerous or Disruptive Activities.** Activities that endanger residents and/or the community are strictly prohibited, including but not limited to being on roofs, climbing from windows and scaling or rappelling from outside walls or balconies, improper use of security doors or interfering with the locking of any door, throwing objects from windows or balconies, playing sports or participating in similar outdoor activities indoors or from balconies, or any violent, threatening, belligerent or unlawful acts.
- 3. Drug- and Crime-Free Policy.** As provided in detail in the Housing Agreement, any drugs, drug paraphernalia or criminal activity, by a resident and/or guests, will be considered a material breach by the resident of the Housing Agreement and may subject the resident to immediate termination.
- 4. Maintenance.** Service calls will be performed during normal work hours as specified in the Housing Agreement, except in the case of a legitimate property emergency. All service calls must be reported to the management office by telephone, in person, by e-mail to info@cambridge-southern.com or by submitting an online work order through the "Residents" link at <http://cambridge-southern.com> (preferred). Maintenance technicians employed by management are not authorized to accept any individual requests without the request being submitted as a normal work order through management. Service calls will generally be performed on a first come, first served basis with priority given to those requests that may constitute a hazard or create significant discomfort for the resident(s). Residents are expected to report maintenance or facility concerns promptly and may be held responsible for damage or utility charges for failure to report issues within a residence.
- 5. Care of Premises.** Stickers, adhesive tape, nails, screws or hooks may not be used on floors, walls, woodwork or doors. Thumbtacks, pushpins and non-marking adhesive materials are permitted in moderation. All windows and exterior doors must remain closed when air conditioning is operating; this equipment does not function properly when windows are open.
- 6. Public Areas.** Sidewalks, parking areas, driveways, courtyards, porches, stairways and all other common areas may not be obstructed in any way by a resident or guest, including by garbage cans, supplies, shopping carts, bicycles or other belongings. If articles are left in any public areas, management may remove them at the resident's risk and expense.
- 7. Cleanliness; Removal of Trash.** All garbage, refuse and other types of waste must be placed inside receptacles provided by management. No trash or other waste may be disposed of or stored on the grounds of the property, kept by an entrance door, porch or balcony, or placed in improper containers or elsewhere in the community. Each resident (together with roommates as applicable) is responsible for cleaning and keeping the assigned residence and all furnishings in a clean, safe and sanitary condition. Trash should be disposed of promptly and properly. Dumpsters are provided by management; however, furniture, chemicals, hazardous materials, batteries, computer monitors, televisions, computers, stereos or other electronic devices are not permitted in the dumpsters. All such materials must be taken by the resident to a local facility designed for disposal of such materials. Cigarette butts may not be left anywhere on the grounds of the property. Residents are expected to maintain balconies, patios and other private areas both inside and outside of the residence. No trash may be kept on porches or balconies, or otherwise outside of a residence, even in bags or cans. Any resident(s) violating any of the above policies will be charged an administrative fee of at least \$25 per bag (or portion thereof) to be disposed; continued violation may result in agreement termination.

- 8. Locks and Keys.** Residents will be given one set of apartment and bedroom (as applicable) keys and one magnetic keycard for clubhouse access per resident, and one mailbox key per apartment. These keys and key-fobs, together with any duplicates, must be returned to management upon vacating the premises. If a resident is locked out of an apartment, management will unlock the door (upon resident presenting photo ID) during office hours at no charge for the first instance; additional or after-hours lockouts will be charged to the resident at \$25 per instance. Replacement of a lost key or provision of an extra key will be charged to the resident at \$15 per key; if any lock is changed due to a lost key, the charge will be \$85 per lock. Any key not returned at the time the residence is vacated will be charged to the resident at \$85 per key for lock change (exterior door) and \$15 per key replacement (bedrooms and mail boxes). No locks may be changed or added to any doors without management's written consent.

Cigarettes, trash or other material(s) may not be left on or thrown from any porch, patio, balcony, hallway, breezeway, window, parking area or doorway. Porches, balconies and patios may not be used for storage of any interior furnishings. Porches, balconies and patios must be kept in a clean and safe condition at all times.
